

FREE tent sites available for bike shops and their race teams !!!

We are pleased to announce that recent negotiations with the City of Danville have yielded a new opportunity for area bike shops and their race teams. Most events hosted in Danville require that vendors pay a 20% concessionaire fee, but the City has made an exception for bike races hosted by SVMBA. Concessionaire rights have been granted to SVMBA and we want to extend an invitation to area bike shops. Race team repairs, as well as, emergency repairs for other race participants are permitted with NO vendor fees.

Bike shops (and their teams) can set up in a dedicated area adjacent to race registration. Sites are approximately 20' x 20' with enough room to set up a tent, a mechanic and tools. Emergency repairs are permitted and you are free to charge for repairs (parts and labor) and we'll keep our hands out of that. A demo bike set-up is another great idea and you're free to give away anything you like (i.e. water bottles, bumper stickers etc.).

This is the big step in the right direction in our opinion. We hope to grow this event into a festival in the years to come and we want you to be a part of that from the beginning.

This is a FREE offer to area bike shops and their teams. Reserve your spot now as space is limited.

If you have any questions or would like to reserve a spot please e-mail us at SVMBInfo@comcast.net .

Thank you,

Chris Tompkins

Race Director - SVMBA

Long Live the Ridge !!!
